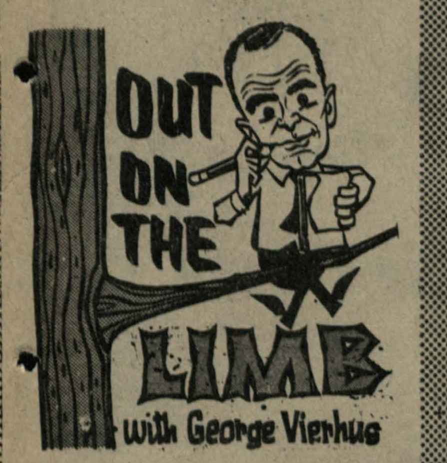
Vol. 73 No. 39 Wednesday, September 29, 1965



AS YOU ARE READING this column, your editor will be gawking at the sights in Copenhagen, Denmark, the first stop on a five-week jaunt through such strange and interesting (to us anyway) spots as Berlin, Calais, Dover, Dublin, Glasgow and Amsterdam.

The column is being written, however, three days before that huge jet plane is scheduled to lift us off the ground. But, quite frankly, we have been flying high for months, ever since the plans for the big event materialized.

-0-

OUR LITTLE WIFE, Dorothy, has probably been more excited than we have been about this noteworthy event in our lives. But really not much, except probably we have made a more determined effort not to show it.

We have passed it off at times in an offhand manner, citing the fact that some 20 years or so ago we were in Europe on an all-expenses paid jaunt that extended for more than two years. But circumstances were somewhat different then, if you recall. There was a war going on.

-0-

NATURALLY we have been subjected to a number of good-natured barbs. Most common has been: "It sure must be great to be a wealthy publisher and be able to take five weeks off and tour Europe!"

We expected that.

We are well aware that we can't afford it. We doubt very much that there will ever be a time when we can.

-0-

BUT THERE are ways to do such things (even on a tight-budget operation such as ours) in this modern age of shrunken distances between one continent and another, we have learned.

We are testing, for example, that message in the various travel ads, "fly now, pay later". We will be strapped because of this "pay later" bit for quite some time after we get back. But, at least, we will have the trip under our belts by that time to ease the squeeze on our pocketbook.

Shucks, somehow we wouldn't feel right, if our household budget didn't include installment payments.

The financial load can be eased a great deal also, if your wife works, we might add.

-0-

FIVE WEEKS is a long time to be gone from one's business or profession.

But we happen to be blessed with a tremendously loyal and capable staff.

They are so capable in fact that there is a danger that we won't be missed around the joint.

That will never do.

WE ARE PROUD of

(Continued on page 2)

DO IT THIS WAY--Fire Captain Warren Clark (right) gives off-duty Fire Captain Jerry Gomes instructions as to where to put the trash that will be picked up Monday morning, October 4, as a free service to residents of the city. The fire department is directing a fall clean-up campaign in cooperation with Los Gatos Scavenger Co.

On the curb at 7 a.m.

Residents get free service for trash pickup Monday

It will be clean-up day in the City of Campbell next Monday, October 4 as residents within the city limits have the opportunity to get rid of the trash and rubbish accumulated during the summer months.

All residents have to do is to place their trash and rubbish on the curbline next Monday, October 4, by 7 a.m.

Special pickup service will be furnished by Los Gatos Scavenger Co., that is working with the fire department in the staging of the "Fall Clean-up Campaign."

Rubbish and trash either must be placed in containers or tied in bundles not exceeding four-feet in length and light enough to be handled by one man. There is no limit to the number of containers or bundles.

Large appliances or furniture will be picked up by the scavenger company personnel.

The free pickup service will only be offered to residents within the city limits of Campbell. Los Gatos Scavenger Co., has the franchise for garbage and trash pickup service in the city.

Local family hurt

Mr. and Mrs. Fred Jones, Jr., 2115 La-Miel Way, and small daughter, Julie, 12, are confined to the Santa Cruz County Hospital with serious injuries as the result of an auto accident occuring Monday night on Highway 17.

Jones suffered from broken ribs and underwent an emergency operation early Tuesday morning for a punctured lung. Mrs. Jones is on the critical list with a broken leg and skull fracture while Julie is suffering from numerous bruises and is undergoing x-rays to determine if other injuries are present.

Off street parking

The Downtown Redevelopment Committee has set three meetings for property owners in the area to discuss the best method of financing an Off-Street Parking District. The estimated cost to each property owner is also on the agenda.

The first meeting will be Thursday, Sept. 30, at 7:30 a.m. in the City Council Chambers for property owners between Central Ave. and the railroad tracks.

Other meetings are scheduled for Oct. 6, at 7:30 a.m. in City Council Chambers for the area between Winchester Blvd. and Second St. and on Friday, Oct. 8 at 7:30 a.m. for the area between Second and Central.

Flapjack time in Campbell

Everyone's invited to come to the cafeteria of Campbell High School on Sunday morning, Oct 10, when the Campbell Kiwanis Club presents its annual pancake breakfast.

Steve Goodman, kitchen chairman, and Clarence Nelson, service chairman, will have their crews in force to render that smiling service they are noted for. Breakfast will be served from 8 a.m. to 1:30 p.m.

President Harry Colby makes a personal invitation to all the residents of Campbell and surrounding areas to attend. Proceeds from the breakfast will go to the Campbell High School Foreign Exchange Student Program. Tickets are available from the Foreign Exchange Student Committee at Campbell High School, the Campbell Kiwanis Club members and the Chamber of Commerce. They may also be purchased at the breakfast.

Council hesitates on sidewalk repairs

A cautious, slow to act City Council referred several knotty problems to staff for further study at Monday night's meeting. They were admonished by Mayor Charles Rose who said, "We should act on some of these things, or we'll never get anything done."

Nevertheless, rather than come up with a quick decision on the responsibility of the city regarding the repair of hazardous sidewalks, the Council asked the Administrative staff to investigate the methods used by other cities regarding this problem.

The City staff had recommended that repair of hazardous sidewalk conditions in Campbell requiring more than $50 in labor or materials should be the responsibility of the property owner. Mayor Rose and Councilman Robert McElroy indicated they were in favor of this policy which, according to Rose, has been in effect for many years. The other Councilmen, however, felt the Staff should investigate the matter further before they endorsed this policy.

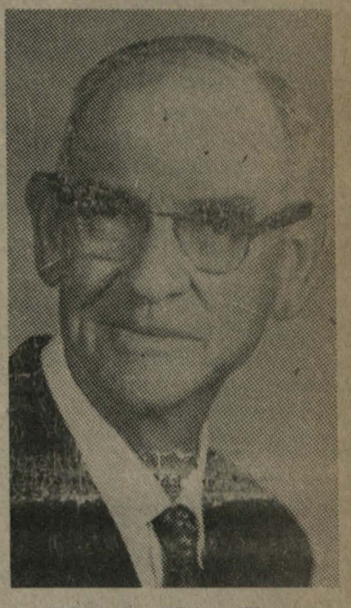
The Council also waited to make a decision on the appeal of Kenneth Norton from the Planning Commission's denial of his application for a zone change from R-2-S to C-2-S on his narrow lot located on Winchester Blvd. and Alice Ave.

They asked the Planning Staff to make some revision to the Planned Development Amendment which would allow small properties under 40,000 sq. ft. such as Norton's, to be considered P.D.

Norton's lot, after dedication of a portion to the city for the widening of Winchester, would measure 35 x 145 sq. ft. which the Planning Commission felt was too shallow to be used for a Used Car Lot as Norton requested.

Under Planned Development the property could be zoned for this use only and with architectural and time requirements set up by the Council and could not be used for any other purpose.

Mervyn Keesling, Hamilton Park owner succumbs



Mervyn Keesling

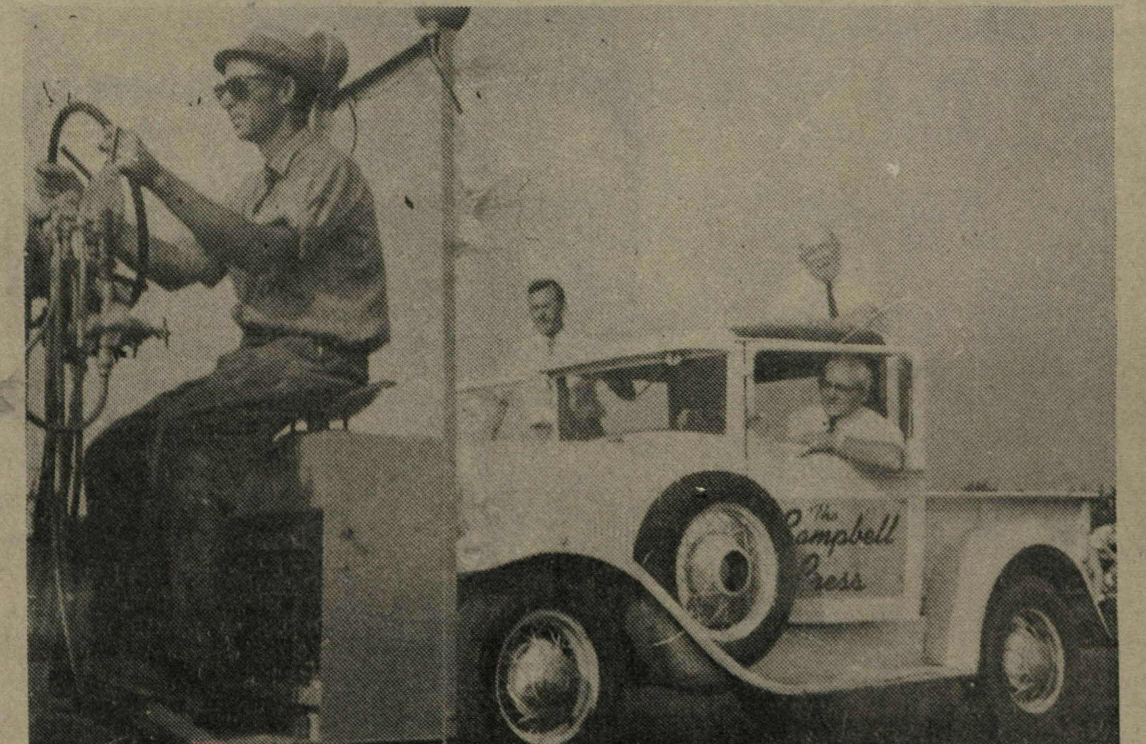
Last rites were conducted at Oak Hill Mortuary for Mervyn S. Keesling, 76, a retired rancher and fruit expert who lived in Santa Clara County all his life. Keesling died in a Campbell hospital of a heart ailment. He was a native of Campbell.

Keesling resided at [illegible]0 E. Hamilton Ave. where the family operates the Hamilton Trailer Park. He was active in the County Fair for many years and won more than 500 blue ribbons with his products. He was a member of the Orchard City Grange for 40 years.

He was the husband of Dorothy M. Keesling of Campbell; the father of Reynold, Robert and David Keesling, all of San Jose, and Mona Keesling and Mrs. Betty Voytek, both of Campbell; the brother of Mrs. Mildred Husted of Campbell, Mrs. Audrey Abbott of Los Gatos and Mrs. Wana Kunzel of San Diego.

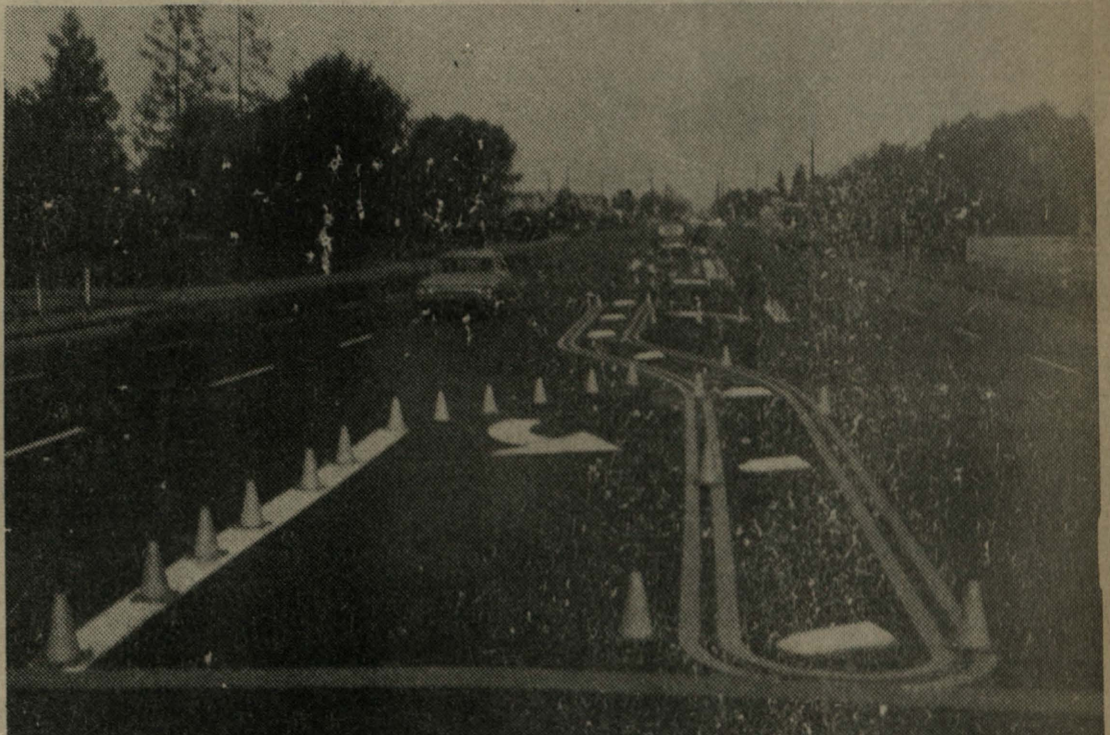
Interment was at Oak Hill Memorial Park.

Hamilton Ave. opens to traffic; Rincon, Latimer close



GOING THROUGH--The long-awaited extension of W. Hamilton Ave. was officially opened to traffic on Monday of this week, but on Friday, as the street department was rushing the striping of the street, interested city officials followed the striping machine (on the left with Hollis Morgan at the helm) onto the newly-completed portion of the street.

The Campbell Press furnished the transportation. Driving the Press car is Kenneth Hickman, street superintendent; Standing in the center in the rear is Jim Duffield, C. of C. manager and on the left is Bill Wren.



READY FOR ON-SLAUGHT--On Monday morning of this week city and county officials officially opened Hamilton Ave. to cross-town traffic. The construction was a joint city-county effort.

The opening of Hamilton Ave. has meant the closing of both Rincon and Latimer avenues to through traffic to allow the expressway construction to be completed. Neither Latimer nor Rincon will be reopened. The completed bridge on Campbell Ave. will allow for four lanes of traffic. The Campbell Ave. expressway intersection will be signalized the same as the Hamilton-expressway intersection.

Editorial

A big step taken

Transformation of Los Gatos Creek area into a prime parks and recreational development under county leadership moved a step nearer reality this week when city and county officials informally discussed the various possibilities of such a project.

Mayor Charles Rose of Campbell was the host at a luncheon meeting, attended by three county supervisors and representatives of other cities in the area, when the creek picture was examined thoroughly.

To those of us in Campbell who have long advocated the development of the creek area into a scenic, as well as recreational area, the reaction of the officials, especially the supervisors, was most encouraging.

Those present at the meeting were impressed by the potential offered by the creek area. Much of the land is already under public ownership through the percolation-pond development of the Santa Clara Valley Water Conservation District.

Using Vasona Park as an example of what could be done through the cooperative planning and development by a number of county agencies, it was not difficult to envision how the rest of the creek from Vasona through Campbell could be eventually transformed into a beauty spot in the same manner.

As Supervisor Sig Sanchez so aptly put it... "water attracts".

The water conservation district has at least 100 acres of land along the creek reserved or being used now for percolation ponds. With the proper planning, landscaping and improvement they can be converted into attractive marina parks.

In addition to the parcels that will be used for percolation, there are 17 acres adjacent to the ponds that the water conservation district has found surplus to the needs.

The City of Campbell, after a series of negotiations with the district concerning the disposal of a 10-acre tract that had been filled and compacted by the district, acquired a seven-acre pond from the district. It was found that the city could not afford to pick up the 10 acres at the price the district felt was fair. The county was not interested either at the original figure that was placed on the 10 acres.

But the situation has changed a great deal during recent months.

There are indications that the county and water conservation district might now work out some sort of an equitable financial arrangement so that the county would be able to acquire the 10 acres for park purposes.

Thus in one action, so to speak, 17 acres of land adjacent to man-made lakes would be obtained. With cooperation and coordinated planning of all public agencies involved, huge strides would be made in the making of the creek area into an outstanding recreational area that would benefit the entire county.

We have long been convinced that it is possible to convert the remainder of the creek area into a somewhat similar development.

Much of the area could be left in its natural state with just a few refinements such as the planting of trees and the laying out of bike and hiking trails, etc.

The creek area, as you well know, from Los Gatos through Campbell could be a show window of this part of the county.

It is adjacent to the freeway and thus people traveling on that thoroughfare get a good or bad impression of the communities they pass through.

We hastily add that perhaps the impression these travelers get is not important to us in the long run. On the other hand, when attractiveness can be gained as well as usability, community pride should be considered a factor in overall picture.

The Campbell Press has long been an advocate of creek development dating back to 1956 when the potential was first foreseen.

Mayor Charles Rose, a native of Campbell and, in our opinion, this community's strongest booster year in and year out, has also realized the undeveloped potential of the creek area.

When Mayor Rose described the creek situation and its future possibilities to the supervisors and neighboring civic leaders he thus spoke with sincerity and conviction.

We are convinced that it was largely because of Rose's presentation that the project received such strong encouragement and support from the other officials.

A big step has now been taken.

City employees hold tournament

Trophy awards were made to champion and runnerups in three categories at the first annual City of Campbell Employees Golf Awards Banquet held last week at Country Woman's Club.

It was announced at the banquet that a one-day tournament will be held on October 12 at the Hillview Golf Course. It will be a handicap tourney and awards will be made for the first four plav-

More than 20 employees participated in the last tournament which extended over a 20-week period at the Cambrian Golf Course.

our organization, even as small as it is. During our absence the people will be wearing different hats. This they can do very well and efficiently, as you will see. Someone, we hope will even handle our job on the mop.

But this staff of the paper has to be watched. They get too darn clever (and we aren't referring to Frances alone either) at times.

For example, they completely surprised us at a going-away party recently. They had planned the whole shebang right under our nose.

One of the highlights of the party was a special "newspaper" they put out in the plant for the occasion without us knowing a thing about it. The "newspaper" appropriately "framed," as we were, now has an honored spot on the wall of our office.

There was a column entitled "Out on the LIMP" by the staff and the headline proclaimed "PUBLISHER SKIPS COUNTRY".

The picture they used of Dorothy was darn cute. But where they got that mug of the other lost soul, we will never know.

Apparently the purpose of this underhanded and underground journalistic feat was to relieve us of any worry about their ability to put out a paper in our absence.

-0-

AS YOU CAN GUESS, they did a few things in reverse, especially proof-reading. They put errors in rather than took 'em out.

As a gift we received an attache case in which we can carry a compact typewriter which has been loaned to us by our old newspaper boss, Ralph H. Turner. The case happened to be exactly what we had wanted and we had scouted around like crazy to find one.

From this report, you probably have gathered why we are proud of our outfit and are not overly concerned about how they will get along without our "help" during the next five weeks.

We do plan to send back some "dispatches" from time to time. They probably will be printed, even if they aren't much good. We've got an in. At least, we did, before we took off.

-0-

GUEST COLUMNISTS will fill this space while we are gone.

Frances Clever, the office manager and a veteran news hen who now checks trial balances instead of trials, will handle next week's "out on the limb" and will also turn one out on November 3, the week we get back.

Bob Stephens, city manager, has volunteered for October 13.

Bob Culp, Campbell High principal, will try his hand on October 20.

Neal Royer, Campbell elementary school superintendent, will give it a whirl on October 27.

So, you who have been exposed to our ramblings for all these years, will get a five-week stay of execution. Have fun.

-0-

MAYBE THERE are other items that should have found their way into this column this week.

But, you know something, as we write this, for some reason this five-week tour seems to have sort of pushed other items out of our mind. We are sure you don't mind. It doesn't happen too often.

-0-

WE RECOGNIZE that anticipation often proves far superior to the actual occurrence. But somehow we think there will be no letdown, this time, except the plane, of course. Only on the runway, that is.

Even our dog "Checkers" will be well taken care of in our absence. Our house will be occupied by friends for the entire time we are gone. "Checkers," of course, goes with the house.

So, you see, everything seems to be going for us.

We have filled an entire column about it.

And we said Dorothy was the excited one.

See you in five weeks.

FRECKLES RUN IN FAMILY.......Debbie Hotchkiss, of 1185 Normandy Drive, Campbell, took first place in the Freckles Contest on Kid's Day at the Santa Clara County Fair. Ironically Debbie's brother, Ken placed second. Looking on is Jr. Queen Kathy.

What would you do, if you have car accident?

Captain R. P. Bliss, commander of the California Highway Patrol's San Jose area, posed an unusual question for motorists:

If you thought you were going to have a traffic accident on any holiday weekend, what would you do about it?

"Many people dismiss the thought of accidents because it's more comfortable to do so. But the potential for accidents always exists."

He suggested that the most reasonable answer to the question is "taking those steps which offer the greatest assurance that you won't be involved in an accident."

First, be alert. The other driver may make some mistakes. Be ready to compensate for them.

Second, to be alert, you must be fresh. Sleepiness, emotional upset, or the loss of normal reactions caused by alcohol leave you at less than your best.

Third, let the law assist you. Driving laws, if obeyed, are one of your best protections against accidents.

YOU'RE INVITED-- The Campbell Kiwanis Club extends an invitation to Campbell residents to attend their annual pancake breakfast on Sunday, Oct. 10, at the Campbell High School Cafeteria. Letters to the Editor

Dear Editor:

We want to thank you for covering all the meetings of the City Council on the Topaz Shopping Center at the corner of San Tomas and Hacienda.

During this time we have found your paper to be very accurate. Also, we the people of this area, would like to thank Councilmen Ralph Doetsch and William S. Smeed for being for the people and trying to upgrade our community.

Also, the people of this area would like to know why three of the council members are favoring two store keepers and are ignoring all the people, tax payers and voters of this community, who are Mayor Charles Rose, Councilman Robert McElroy and Councilman Dr. Edward J. Rogers.

They are against the proposed shopping center and against the upgrading of our community. All those three council members talk of is putting up more apartments, which we don't need.

We have more apartments in this area now than we have public facilities. We have no play grounds for the young people. All the schools are too small for the population we have now.

If they put in more apartments in this area that would mean that they would have to tax the people more to supply more play grounds and enlarge the schools.

If the council would let the shopping center go in according to Riches Research, which is a very reliable company, they stated that by 1967 it would gross $4,300,000 which would help the people tax wise, also the city.

There would be a lot of sales tax in that much gross per year, which would keep the people from being burdened by more taxes. The two markets that are against the proposed shopping center are afraid of any competition it might bring them. They would go to any limit to keep out any other competition.

They don't want the people in the San Tomas area to have a nice shopping center.

Thanking you very much, Mr. Editor. I think the people should know the facts.

Yours truly,
Joal H. Butler

SECTION 9315.9. Off-street parking and loading spaces shall be provided as required in Section 9319.

SECTION 9319. - PARKING AND LOADING REQUIREMENTS

A. PROVISION OF PARKING SPACES

1. Off-street parking spaces shall be provided for all uses in accordance with standards set forth in Parking Schedule which is attached hereto and made a part hereof. The provision and maintenance of off-street parking spaces as required by these standards shall be a continuing obligation so long as the use continues.
2. When there is to be a change in use which would require additional parking spaces, such spaces shall be provided at the time of the change.
3. When there is more than one use at a location, the total parking spaces required shall be equal to the sum of the requirements for the individual uses, except that the Planning Commission may permit two uses to jointly occupy the same parking spaces when their parking demands occur at different times. When circumstances change so that there is a conflict in demand, the Planning Commission may require that additional parking spaces be provided.
4. All parking spaces shall be provided on the same site as the use, except that the Planning Commission may permit the location of a parking facility within a reasonable distance if adequate provisions are made to assure that the facility shall be under the control of the owner of the use during the life of the use. For this purpose the Planning Commission may require the filing of such covenants or agreements as it deems necessary.
5. A single parking facility may be established and operated for two or more uses provided that:
   a. the number of spaces provided shall equal the sum of the requirements for the individual uses, except as provided in paragraph 3 above;
   b. adequate provisions are made to assure the continuous existence of the parking facility during the life of the uses for which it is established; and
   c. the location, design, and method of operation are approved by the Planning Commission.
6. No use which was in existence at the time of adoption of this section and was in conformance with the provisions of the Campbell Municipal Code at that time shall become "non-conforming" solely because the parking spaces provided do not meet the requirements of this section. However, if the use is enlarged or changed, parking spaces shall be provided as required by this section.

B. OFF-STREET PARKING DESIGN STANDARDS

All parking spaces and parking facilities shall be designed to meet the minimum criteria set forth below.

1. Parking spaces for one or two family dwellings shall have a minimum width of 10 feet and a minimum depth of 20 feet. Parking spaces for all other uses shall have the minimum dimensions shown in the Parking Design Table which is attached hereto and made a part hereof.
2. The width of driveways for one and two family residences shall be not less than 8 feet. The width of driveways for other uses shall be governed by the dimensions shown in the Parking Design Table, but in no case shall they be less than 12 feet for one way driveways nor 20 feet for two way driveways.
3. Except for one and two family dwellings, or specific approval by the Planning Commission, parking facilities shall be so designed that vehicles do not back into the street.
4. All garages or carports shall be constructed so as to comply with all other provisions of the Campbell Municipal Code, but in no case shall the entrance of a garage or carport constructed for a single or two family residence be closer than 25 feet to any public right-of-way.
5. Except for one and two family dwellings all parking facilities shall be designed so that no parking or loading space blocks access to any other parking space or driveway.
6. The Planning Commission may prohibit the location of parking facilities in required front, side, or rear yards when such location may be hazardous, incompatible with adjacent land uses, or found to impede the excellence of development.
7. The Planning Commission may require such screening on the boundary and such landscaping within any parking facility as it deems necessary and reasonable for protection of surrounding property and to assure improvement of the general area.
8. All parking spaces and driveways shall be graded, drained and surfaced with an asphaltic or concrete surface, in a manner approved by the Building Inspector, to provide a durable and dust-free surface and to assure access under all weather conditions.
9. Curb cuts or street access points shall be located and designed to meet the approval of the Director of Public Works.
10. All parking facilities shall have appropriate curbs or bumper guards.
11. All parking facilities shall be provided with appropriate stall, entrance, exit, and traffic flow markings.
12. All parking facilities shall be provided with appropriate lighting, and such lighting shall be reflected away from adjoining properties and public rights-of-way.

C. OFF-STREET LOADING SPACE

Off-street loading spaces shall be provided in amounts and locations as required by the Planning Commission. Loading space shall be sufficient to accommodate the largest vehicle which may be used for loading on the premises.

PARKING SCHEDULE

BLEACHER BLAZES --Last week a fire, apparently set by arsonists, burned the storage room under the Campbell High bleachers where 10,000 obsolete books had been stacked. The above picture shows a rear view of the bleachers. Photo by Gene Bordon.

BOOKS BURN--Approximately 10,000 obsolete text books stored under the concrete bleachers at Campbell High were destroyed in a recent fire which is reported to have been started by arsonists. The charred remains of the books are pictured above. Photo by Gene Borden.

Gold watch found in pawnshop reveals high adventure story

A story of heroics and high adventure in the early West came to life recently with the discovery of an elaborately engraved gold pocket watch in a Sixth Street pawnshop in San Francisco.

F.J. Monteagle of Oakland, a collector of early Western Americana, was on one of his frequent tours of pawnshops when he discovered the watch. He said, "It was an aristocratic misfit among a company of pawned engagement and wedding rings, typewriters and cameras."

The collector almost passed over it because of the plainness of the cover. Then he got a glimpse of the fancy English script: "Presented by Wells Fargo & Co. to J. H. Shine for His Success in Saving the Treasure from Highwaymen. Nov. 15, 1876."

The old gold watch has been loaned to the Bank and is now on display in the Wells Fargo History Room at 420 Montgomery Street, San Francisco.

Shine was also the first stagecoach driver to have been robbed by Black Bart, the most notorious of all highwaymen who held up 28 stages.

KEEPS IN SHAPE-- Lovely Miss Sandi Becker (Miss California) keeps her lovely figure by exercise and a high protein diet. She is pictured here with Bob Poen, proprietor of Michelle's Figure Salon in the Kirkwood Plaza shopping center, where she will be all day Saturday, Oct. 2, to greet the public. You are invited to stop in and meet her and take a look at this beautiful new slenderizing salon.

Miss California will visit figure salon

A slenderizing salon for "women who care" will have its grand opening on Saturday, Oct. 2, at the Kirkwood Plaza shopping center, 1600 W. Campbell Ave. Michelle's Figure Salon, catering exclusively to women and offering personal figure analysis, corrective diet supervision and spot reducing with newest modern facilities, is a welcome addition to Kirkwood Plaza.

The Figure Salon covers 2100 carpeted sq. ft and is equipped with Viking Sauna Baths, and the latest scientific equipment to help women in weight reduction of hips, thighs, and waistline. The classes are offered at reasonable rates and are held three times a week. The students wear thermo suits (bermuda short style), which create body heat while exercising and literally "burn off fat." The Salon is managed by Mrs. Pauline Poen, who with her husband, Bob Poen, own and operate two other slenderizing gyms, one in Santa Cruz and another in Salinas.

Miss California, (Sandi Becker) availed herself of the services at Santa Cruz Salon in preparation for the Miss America competition.

She will be here all day Saturday to greet her fans and welcome visitors to the Salon.

According to Mrs Poen, it is the "women who care" about those extra pounds who will take the time to investigate her salon. No diet will be suggested without the client being in good health. Massage and exercises are also designed to improve the circulation and posture. All Campbell women are invited to visit Michelle's Figure Salon on Saturday to meet "Miss California."

STOLEN CARS

Nearly half a million cars were stolen in the United States during 1964, reports the National Automobile Club.

PACK 377

Pack 377 held their first meeting of the fall and winter session at the Hazelwood School cafeteria with Den 4 presenting the colors for the flag

Gerald Lucas, Head of the Webelos Den officiated as Cub Master and presented Bob Ross, the retiring Cub Master with a trophy for three years of diligent, sincere service. Bob was a good Cub Master and it is with regret that Pack 377 bids him farewell.

On a happier note, the following awards were given the Cubs who had been busy earning gold and silver acheivement arrows and new badges:

Shawn Blood seemed to be exceptionally busy as he was awarded a denner stripe, wolf badge, gold arrow and a silver arrow.

A silver arrow also went to Ernest Sedillo; and a gold arrow went to Bill Seniff.

The boys receiving bear badges were: Bob Hammons, Bob Hart and Leonard McDonald.

New Lion badges were awarded to Dwane White, Danny Blood and Bryon Decker, who now are able to work on their tenderfoot requirements for Boy Scouting through the Webelos Den.

Den five again won the silver star for inspection and the attendance banner.

The next meeting will be October 21 at Hazelwood School at which time new committee members will be announced.

Obituaries

Audrey James

Mrs. Audrey Elizabeth James, 42, wife of Robert James, office manager of the Campbell Water Company, died in a San Jose hospital last Tuesday morning. She had been ill for several months previous to her death.

Dr. Corwin Olds conducted funeral services at Campbell Memorial Chapel. Interment was at Santa Clara City Cemetery.

Mrs. James resided at 730 Ricky Court. She was a native of Greenwood, El Dorado County. She was graduated from Fort Bragg High School and attended San Jose State College. She lived in this area since 1945.

In addition to her husband, Mrs. James is survived by her son, Richard A. James, and two daughters, Cheryl Lynn and Allison Ann James, all of Campbell; her parents, Mr. and Mrs. Thomas Moungovan of Fort Bragg, her brother, Roy Moungovan of Los Altos and her sister, Gayle Moungovan of Fort Bragg.

Kathleen Sullivan

Private funeral services were held Friday, Sept. 24 for Miss Kathleen Sullivan, 23, 746 Kenneth Avenue, who passed away last week in San Diego following complications resulting from an operation.

A native of San Pedro, California, Miss Sullivan was graduated from Campbell High School in 1960 and from St. Francis Hospital School of nursing in 1963.

She had been employed on the nursing staff of the Los Gatos Community Hospital until her illness four months ago.'

Miss Sullivan is survived by her mother, Mrs. Jane Sullivan of Campbell, a brother, Tim Sullivan of Woodland, a grandmother, Mrs. Hanna Hinch of Davis and three uncles, Glenn Hinch, San Francisco, Kenneth Hinch, Davis and Melvin Hinch, Eureka.

Funeral arrangements were under the direction of the Campbell Memorial Chapel with internment at the Los Gatos Memorial Park.

F. J. Handlan

Frederick James Handlan, 76, retired millwright, died last week following a brief illness.

Handlan, who resided at 1340 Westmont Ave., served in World War I and was employed by a fiberglass manufacturer for many years. He lived in Santa Clara County for 16 years.

His wife, Daisy; a daughter, Mrs. Carolyn Ewing of San Jose, and a sister, Mrs. Charles Plank of Portland, Ore. are survivors.

Final rites were held at the Lima-Salmon-Erickson Memorial Chapel, and interment was in Golden Gate National Cemetery, San Bruno.

Robert P. Abrams

Robert Paul Abrams, 28, of 2285 Central Park Drive, was killed last Saturday when his plane crashed during the Las Vegas International Air Races at Boulder City, Nevada. The Clark County Chief Deputy Coronor said Abrams was killed when his P-51 Mustang flipped over and nosed to earth at the Boulder City Airport.

Abrams had been flying in a heat for unlimited class planes over a nine-mile course when he dropped out, apparently with engine trouble. As he made an approach for a landing, the Coronor said, the plane's engine seemed to fail, then start again abruptly, giving the plane a sudden surge of power that flipped it on its back. Abrams' body was found 30 yards from the bulk of the wreckage.

A bachelor and ex-Connecticut resident, Abrams was a wartime Air Force lieutenant. In recent years, he was a captain for Air America, taking military and civilian flights to South Viet Nam. Funeral services will be held in Hartford, Conn., his parents' home.

Crawford Herrell

Heavy equipment mechanic, Crawford Herrell, died last week at a San Jose hospital after a short illness. Herrell, 53, of 835 W. Kenneth Ave., has been employed by Permanente Cement for the past 20 years.

Funeral services were conducted Saturday at Campbell Memorial Chapel, and burial was in Oak Hill Memorial Park.

Herrell was born in Palestine, Tex., and came to California in 1935. He was a member of San Jose Local 1101, Automobile Mechanics' Union, International Association of Machinists.

Surviving are his wife, Irene Herrell of Campbell; sons, Gary Herrell of San Jose, and Terry Herrell and Thurman Herrell, both of Campbell; daughter, Mrs. Melba Friend of San Jose; six grandchildren; and his sisters, Mrs. Ruth Ward and Mrs. Mary Hanna, both of Texas.

Mrs. Edna Jones

Funeral services are pending at the Darling, Fisher & Faber Campbell Memorial Chapel for Mrs. Edna Alice Jones, 74, who passed away early Monday morning at her home at 2035 Winchester Blvd.

Mrs. Jones, a native of Beaumont, Texas, had made her home here in Campbell since 1948.

Survivors include her husband, Thomas W. Jones, three daughters, Mrs. Betty Deal, Banning; Mrs. Hazel Ervin, Montana and Mrs. Ruth Mullins of Maryland. She also leaves two sons, Leroy Carson of Fellows and Clinton Carson of Newport, Ark; 14 grandchildren and 11 great-grandchildren.

NEW OFFICER-- Paul J. Bianchi, son of Mr. and Mrs. Ernest Bianchi, of 386 Virginia Ave., Campbell, has been commissioned a second lieutenant in the U.S. Air Force upon graduation from Officers Training School at Lackland A F B.

INCREASE IN TRAFFIC

An additional three and a half million vehicles appeared on United States roads last year, reports the National Automobile Club. At the present rate of increase, close to 90 million motor vehicles will be on the roads by the end of 1965.

COFFEE

The 1964 production of coffee in the United States was 13.5 million pounds and was worth almost $4 million.

MR. AND MRS. MARK HERSCHBACH (Janey Clark)

Mark Herschbach claims Janey Clark as bride

Newly married Mr. and Mrs. Mark S. Herschbach are making their first home in Santa Clara. The bride is the former Miss Janey Clark, daughter of Mr. and Mrs. Earl G. Clark of 814 W. Harrison St., Campbell. The young couple, both graduates of Campbell High School, exchanged wedding vows in August at the Neighborhood Church of Willow Glen. Rev. Phillip F. Adams of Spokane, Wash., was the officiating clergyman.

For her wedding day, the bride was attired in a silk organza gown, styled with a fitted bodice, elbow length sleeves and portrait neckline. Her bell-shaped skirt fell into a full chapel train. The silk illusion veiling was accented with a headpiece of organza roses and pearls and she carried a bouquet of orchids, daisies and ivy. Her prayerbook was one carried by both her mother and grandmother at their own weddings.

Miss Jan Adams of Spokane, Wash., was the maid of honor. Diane Gothrup of Oakland, Ruth Wells of Pomona, Calif., Gloria Clark of Myrtle Creek, Oregon, and Mrs. Georgia Skiles of San Jose were the bridesmaids. Susan Jones of San Jose was the junior bridesmaid. All attendants wore gowns in rainbow colors of Swiss embroidered organza over taffeta with white picture hats. Little Patty Adams of Spokane, Wash. was the dainty flower girl and Marshall Meyer of Saratoga was the ring bearer.

Henry Deadrich served his friend as best man and John Allen was the junior groomsman. Ushers were Jim Clark, brother of the bride; Larry Conner of San Leandro; Robert Corbell of Santa Clara and Robert Dickover of Sacramento.

Approximately 500 friends and relatives attended the reception that followed in the church hall. The happy couple cut a four tiered wedding cake before leaving on their honeymoon to Twaine Harte, Yosemite and Virginia City, Nevada. On their return they are making their home in Santa Clara.

The new Mrs. Herschbach is a senior at San Jose State College, majoring in elementery education. The bridegroom is the son of Mr. and Mrs. Robert C. Herschbach, formerly of Campbell, and now residing near Santa Cruz. He attended San Jose and San Francisco State College and is now employed by Bell Telephone Co. in San Francisco.

The Red Shoes opens Oct. 9

San Jose Children's Theatre will open its fourth season of professional quality live theatre for children on October 9 with the Castlecourt Players in "The Red Shoes."

The play is an especially adapted version of the Hans Christian Anderson classic, and will have particular appeal for children in grades 1 to 6.

There will be two performances, at 11 AM and 2 PM, at the West Valley College Auditorium in Campbell. Season tickets will be issued at a reduced price this year; deadline for purchase of these is October 1, although single tickets will be available until show time.

For ticket information contact Mrs. Gerald Bergstrom, 296-8900, or Mrs. Wade Hover, 867-1598. San Jose Children's Theatre is sponsored by Service League of San Jose, Inc. as a community service.

Nursery school has openings

Campbell Parents Co-operative Nursery School wishes to announce that, due to recent cancellations, there are a few vacancies for three and four year old children. The school has been in successful operation for nine years and is located at 528 N. Harrison in Campbell--just 2 minutes from Route 17.

The director of the school, Mrs. Helen Reidel, has been with the school since its beginning.

The school is in session Monday thru Friday morning from 9 to 11:30 and Monday, Wednesday and Friday afternoons from 12:30 until 3. Further information and applications may be obtained by calling the Membership Chairman, Mrs. Leo Smith, at 248-6263.

How to Block Sweaters & Knits

by John D. Cooper

Nearly every woman alive has had the experience of hand washing a sweater or knit garment, then fighting with it to put it back in its original shape.

Here are a few suggestions on the best way to get the results you want.

1. MEASURE THE GARMENT THOROUGHLY. By that we mean both the length and the width. The same with the sleeves. And make a special measurement of the shoulders. A good idea suggests itself from the experience of the cleaning industry. Take the garment before it's washed or cleaned, lay it on a clean piece of cardboard which will not fade, outline the garment, cut out the marked area. That is the shape to which the garment should be restored. Use lukewarm water and the mildest of soaps or detergents. Squeeze gently. After rinsing, roll the garment in a towel to remove excess moisture, then merely lay the damp garment on your "template" and gently stretch to the required shape. Or, if you've done a good job of cutting, you may be able to slip the garment over the board. Dry in shade.

2. SIZE THE GARMENT. This is one of the most effective of all ways to help a sweater or knit garment keep its shape. Not all garments can safely be sized, nor does the sizing last forever. But if properly done, not only will you have a garment of the identical size and shape after washing, but it will resist soiling and wear longer.

However, let us emphasize again, don't experiment. Why not instead, let the experts do the job -- and do it right?

Campbell shows promise in first game of season

In it's opening game of the season, Campbell High's Varsity Football Team beat the Santa Cruz team by a score of 13-0. Highlights of the game were Gary Paske's throwing, and Don Hahn's catching. Hahn caught nine passes for 148 yards.

Campbell scored both touchdowns in the second quarter. The first touchdown drive started late in the first quarter on the Campbell 27 yard line and ended on the first play in the second quarter. Helping to make the drive was Hahn who caught passes of 15, 14, 10, and 6 yards. Then on the second down from two yards out Steve LoBue, who showed to be the best runner on the field, dove over right tackle and fumbled the ball, but Campbell's lineman, Dave Lundberg, fell on the ball in the end zone for the score.

The second Buc touchdown was a pass from Paske to Hahn, which covered 43 yards to the Santa Cruz twenty yard line. Five plays later, Paske scored from sixinches out.

The Buc defense was also great. Players who stood out on the defensive team were Dave Maas, Don Thompson, Mike Clark, Mike Weber, and Gary Paske.

This years team shouldgo a long way, as it has seasoned veterans and eager rookies. On the line we have Mike Clark, Craig Wilson, Dave Maas, Al Shimizu, and Bill Bussard.

In the backfield we see Steve LoBue, Dale Daneman, Gary Paske, and Don Hahn. The ends are Larry Chapman and Don Thompson.

Some of Campbell's rookies who should help carry the team include Mike Nelson, John Gardner, Jim Davis, Dave Lundburg, and Dave Turner.

This Friday, Campbell faces Watsonville at the Cabrillo College Football Field.

SPORTS

Soph-frosh also win

BY
HARVEY HENSELMAN

The Campbell Soph-Frosh football team "wiped-out" the Santa Cruz "B's" by a score of 34-7. The "Little Bucs" leaped ahead in the second quarter with three touchdowns; two passes and one run. The first touchdown, a run, was a 39 yarder by back Randy Fujisin. The second touchdown came on a 7 yard pass to Greg Reid.

The final touchdown of the quarter came on a 60 yard pass play from quarterback Chuck Hawthorne to end Stan Hedegard.

In the third quarter, the Campbell team added yet another touchdown on a run by Fujisin. With 10 seconds remaining in the last quarter, Hawthorne threw a long touchdown pass to Greg Reid.

In addition to Randy Fujisin, other standouts include Bill Hiney, linebacker; Don Silva, center; Chuck Hawthorne, quarterback; Greg Reid, wingback and Stan Hedegard, end. This week Campbell faces Watsonville at 6:00 p.m. on the Cabrillo College Football field.

Westmont wins first game

WESTMONT beat Irvington Friday night at Washington High. The score for our first game was a fantastic 20-0. Next Friday Westmont will play host to Washington as they meet for a day game.

Westmont's Frosh-Soph team met Irvington's Frosh-Soph at Washington just before the Varsity game. The score was a neat 7-7.

Saturday our song girls attended a spirit convention at Andrew Hill High. Westmont's "B's" placed in the top five.

CROWDED CLASSROOMS

More than one million U. S. children are attending school in over-crowded classrooms and almost two million are forced to study in out-moded, unhealthy and even hazardous school buildings.

WARRIOR WARBLE

BY
LYNDA
WYCKOFF

WESTMONT WARRIORS are again in full swing as the third week of school draws to a close.

Now in its second year of existence, Westmont High is a booming school of seventy instructors, nine administrators, and 1850 students. It is located on Westmont Ave. off Quito Road, on the property previously owned by Mr. L. A.. Le Fevre.

Of the seventy instructors at Westmont, ten of them are teaching here for the first time this year. They are: Gary Brink, Miss Aileen Cabral, Mrs. Sylvia Faerber, Arvin Henderson, Miss Meredithe Heney, Mrs. Elaine Hogan, Mrs. Linda Milton, Miss Joan Ornbaun, Mrs. Judith Ovitt, and Mrs. Karen Parsagian. Westmont is both happy and proud to have so many new teachers.

Our school mascot is a Trojan Warrior, and our colors are black and red.

Soon we will be electing our class officers for the first semester of the new year.

Student Body cards are presently on sale in the student store and the class selling the greatest amount of cards will be awarded a huge seven dollar bill encased in a massive gold frame made by Danny Marks and Pam Hardt.

STUDENT COUNCIL

Westmont's 1965-66 Student Council members are: Dennis Evans, president; Carol Diehl, vice-president; Pam Hardt, secretary; Keith McMahon, student manager; Danny Marks, Dave Darugh, and Roger Pearson, council members.

FOREIGN EXCHANGE STUDENTS

This year Westmont is extremely lucky to have three foreign exchange students attending our classes and living with members of our student body.

Eduardo Roitman, A. F. S. student from Argentina, is living with Frank Kolsky and his family. Ed is a seventeen year old Engineering major at the University of Argentina. He speaks Spanish, French, and English. He swam with an international swim team, plays tennis and likes parties.

Brigitte Tlajak from Vienna, Austria, who is living with Rhonda Lackmann's family, finds America a fascinating place. "But you have so many cars! Sometimes I find one house parked before three cars."

From Tulon, France, we have Brigitte Cadier who is living with Mike Jones' family while Mike is living in France with her family. Brigette has had only one year of English, but speaks the language fluently. She has one sister and four brothers, ranging in age from seven to nineteen years old. Her father is a minister and her mother is a housewife.

CAMPUS CAPERS

Various activities are springing up around the campus now. The Pep Club is presently making up its constitution and should have it ready early next week.

The Art Commission held its first meeting of the year last Thursday to decide future activities. Any one having a year or more of art or who is now taking Art 1 is invited to join.

Beginning next week and continuing throughout the school year we will be having a Warrior of the Week where we will pick an outstanding member of the faculty or student body and write a short column on this person.

This Friday, from 8 to 11 p.m., Westmont will have its Second Annual Kick-Off Dance in the cafeteria, with a surprise personality providing the entertainment.

BLACKFORD BEAT

BY DIANE GIPSON CAROL LOOK

BY CAROL COOK AND DIANE GIPSON

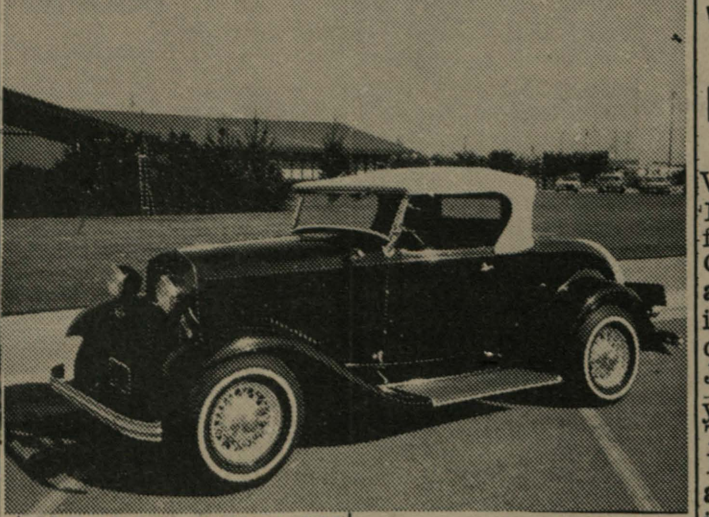
Last week was a very busy one for Blackford. The Student Body Cards were put on sale Monday for $7.00. We urge all Braves to get out and buy their's. Also, it was F. B. L. A. (Future Business Leaders of America) week, and signs were posted throughout the school urging everyone to join the club.

The Varsity Football team played Serra at Blackford Friday afternoon and was defeated 12-7. We would like to congratulate Serra on a game well-played. Thursday the Frosh-Soph. Football team played at Leigh and was defeated 20-0.

The welcome dance was held Friday evening in the Blackford cafetorium from 8:30 until 11:30, and it was a big success.

Class officers will be elected Wed., October 6.

The Varsity had a real good turn out for their game, but we didn't see much spirit at the Frosh-Soph game. So next time let's get out there and really support them.



ANTIQUE CARS ON DISPLAY--Lovers of "classic" antique cars will get a treat this week-end when the San Jose Roadsters Association will exhibit their cars in the parking area of Kirkwood Plaza in connection with the grand opening of several businesses there. Touring cars, Model A and Model T Fords as well as this 1932 Ford Roadster will be on display. The public is invited to stop by.

Vikings to meet Hartnell

West Valley College Vikings, under Coach Bob Jones, open their first season as Coast Conference members against Hartnell Junior College on Saturday, Oct. 9. Coach Jones indicated last year's workhorses Tom Gibbons and Earl Freitas will be on hand as well as Bob Magrino in the fullback slot.

The Vikes have many new faces and Jones is taking a good look to see how they react under game pressures. Coach Jones expressed concern over the lack of depth this year

LOCAL WOMEN GREET MRS. IVY BAKER PRIEST--Mrs. Ivy Baker Priest (second from left) former Secretary of the U. S. Treasury, was the keynote speaker at the state convention of the California Hospital Association, Auxiliary Division, held in Sacramento recently. Campbell Communit Hospital Auxiliar was represented b Mesdames Anthon Jurras, Eric Schram and Frank Jacobs (left to right).

BUC BANTER

BY
MARY
KNOWLES

Eighteen new teachers joined ranks of the Campbell High faculty this fall. Among them were Mrs. Beverlee Williams and Mrs. Barbara Carl, who have two things in common, both are newlyweds and both are Homemaking teachers.

The English department was joined by John Hall, Mrs. Gail Long, Gerald Rienhart, Mrs. Beverly Hetzel, and Emerson West. Mrs. Donna Ness and Miss Sharon Spencer became new members of the Girls Physical Education Department. Other new teachers are: Alfred Matthews, Thomas Wayne, Carl Sundin, Ronald Leonti, Edwin Marcos, Miss Carolyn Noble, Thomas Parsons, Miss Susan Sleek, and Miss Sharon Spooner.

Auditions for the Senior play "Teahouse of the August Moon" were held Tuesday and Wednesday of last week. The play will be presented November 4 and 5 at 8:00 p.m. in the auditorium. A meager $1.00 per person will go to finance such things as the Senior Ball and Senior Sneak Day. John Hall, our new drama teacher says of the play "An enchanting play filled with the most extraordinary good sense about human and international relations."

The Buc marching band, under the direction of Bill Perkins and Drum Major Lindsay Johnston, has been practicing every day and made a fine showing at Friday night's game with Santa Cruz.

Campbell's Sun Gallery, under the direction of Miss Susan Sleek of the Art Department, will be open to the student body again this year. The Gallery, opening October 4, is located in the Main Hall across from room one.

Drumming up spirit for this years athletic events will be Varsity cheerleaders Sandy Lieshman (head), Mary Giammona, Val Bosler, Peg Hebard and Bobi McLain. B cheerleaders are: Pat Furtado (head), Shirley Hagan and Cheryl Coffman. Our six song girls are: Kathy Atkinson, Vickey Luoto, Kathy Bumstead, Vicky Ridgeway, Sheri Okabe, and Melanie Macko.

The Junior magazine sale begins September 30. Top salesman will receive his choice of a record player, transistor radio, or watch. Those selling three subscriptions during the first week-end will receive stuffed animals, and those selling $20 worth of subscriptions throughout the sale will be eligible for a party at the San Jose Swim and Racquet Club. Get going, Juniors!

Freshman! Your reception is coming up on October 27. Remind your parents.

Robbie Robertson is Campbell's A. F. S. sponsored exchange student from Australia. Robbie likes the American school system because "it's much more informal. There's also a greater variety of subjects."

There is a special course being offered at Campbell this year. It is a Developmental Reading Course for all classes during study center. For Freshmen and Sophomores it is mandatory. Juniors and Seniors are invited to take part if there is room available.

The Swedish exchange student will be featured next week.

Zelmar in tourney

Verdan Zelma of Campbell placed 11t in a 14 man field at th recent Californi Horseshoe Pitchin Championship play o held at the Santa Clar County Fairgrounds Zelmar scored fou wins and 9 losses wit 545 ringers out of total of 874 sh pitched.

ORDINANCE NO. 510

BEING AN ORDINANCE OF CITY OF CAMPBELL APPROVING THE ANNEXATION OF CERTAIN CONTIGUOUS UNINHABITED TERRITORY TO CITY OF CAMPBELL, A MUNICIPAL CORPORATION, DESIGNATED AS McGLINCY 1965-4 ANNEXATION TO THE CITY OF CAMPBELL, IN ACCORDANCE WITH THE PROVISIONS OF SECTION 35300 ET SEQ. OF THE GOVERNMENT CODE OF CALIFORNIA.

WHEREAS, the City Council of City of Campbell, California, did heretofore on the 9th day of August, 1965 initiate proceedings for the annexation of certain uninhabited territory contiguous to the boundaries of City of Campbell; and,

WHEREAS, said action by the City Council was supported by the written petition from the owners of not less than one-fourth (1/4) of the area and of the assessed value of all of the lands proposed to be annexed, and,

WHEREAS, the City Council of the City of Campbell did, on the 9th day of August, 1965, pass and adopt its Resolution of Intention to Annex said uninhabited territory, hereinafter described in Exhibit "A" which is attached hereto and made a part hereof, lying outside of and being contiguous to the boundaries of the City of Campbell, which said Resolution fixed notice of the day, hour and place where any person owning real property within such territory so proposed to be annexed and having any objections to the proposed annexation might appear before the legislative body and show cause why such territory should not be so annexed; and,

WHEREAS, the said Resolution and Notice was duly, regularly and lawfully published for two (2) successive weeks prior to such hearing in The Campbell Press, a newspaper of general circulation, published in the City of Campbell, and for two (2) successive weeks prior to such hearing in the Los Gatos Times-Saratoga Observer, a newspaper of general circulation published outside the City of Campbell but in the County of Santa Clara, State of California, proof of the publishers on file with the City Clerk of Campbell; and,

WHEREAS, true copies of said Resolution and Notice were duly and regularly mailed by said City Clerk to each property owner in said area proposed to be annexed as shown by the last equalized assessment roll in Santa Clara County and as required by the provisions of Section 35311 of the Government Code of California, as amended, and all other requirements of said Government Code with respect to the annexation of uninhabited territory having been complied with; and,

WHEREAS, such hearing was held pursuant to said Notice contained in said Resolution on the 13th day of September, 1965, at the time and place fixed therein; and,

WHEREAS, such hearing was not less than fifteen (15) days nor more than fifty (50) days from the date of passage of said Resolution; and,

WHEREAS, at the said hearing there were no protests by any owner or owners of one-half (1/2) of the value of the territory proposed to be annexed, according to the last equalized assessment roll of the County of

WHEREAS, the City Council finds that the territory proposed to be annexed is contiguous to the boundaries of the City of Campbell, and that the same is uninhabited territory as defined by said Government Code of California, and that the annexation of the same would be for the best interest and general welfare of the people of the City of Campbell; and,

WHEREAS, all of the said territory is within the boundaries of Central Fire Protection District of the County of Santa Clara, State of California, and that it is for the best interest of the people of the City of Campbell that said lands described in Exhibit "A" which is attached hereto and made a part hereof, be withdrawn from said district.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CAMPBELL DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. That the annexation of the uninhabited territory described in Exhibit "A" attached hereto and made a part hereof, be and the same is hereby annexed to the City of Campbell; and that the territory affected by this approval and the proceedings heretofore had shall be commonly known as McGlincy 1965-4 Annexation to the City of Campbell.

SECTION 2. That all of the lands, described in Exhibit "A" entitled "McGlincy 1965-4 Annexation to the City of Campbell" which is attached hereto and made a part hereof, be and the same are hereby withdrawn from Central Fire Protection District of the County of Santa Clara, State of California, and that an appropriate resolution be adopted withdrawing the same in accordance with the provisions of Section 14540 of the Health and Safety Code of the State of California.

SECTION 3. Pursuant to the provisions of the said Government Code of California, the City Clerk shall and she is hereby directed to file with the Secretary of State of California a certified copy of this ordinance immediately upon the said ordinance becoming effective.

SECTION 4. The City Clerk is hereby ordered and directed to file with the office of the Recorder of the County of Santa Clara, in which the City of Campbell, a municipal corporation, is located, an affidavit stating that all requirements of the law pertaining to such proceedings for annexation have been complied with. Be it further provided that this affidavit shall be accompanied by a certified copy of boundary description as set forth in the annexation proceedings and also by a map delineating such boundaries.

SECTION 5. That all expense of proceedings for the annexation of the said uninhabited territory be paid, and the sums be, and they are hereby allowed.

PASSED AND ADOPTED this 27th day of September, 1965, by the following vote:
AYES: Councilmen: Doetsch, McElroy, Rogers, Smeed, Rose

ON CAPITOL HILL

with "Charlie" Gubser

In a January 1961 report to a Communist Party conference, Nikita Khrushchev set forth the doctrine which would govern future Communist conquest. He described four kinds of war: world wars, local wars, liberation wars, and popular uprisings.

Then Mr. Khrushchev announced his opposition to both world wars and local wars as "too dangerous" in a world armed with nuclear weapons, and expressed Communist support for "wars of liberation". With specific reference to the war in Vietnam, he said: "It is a sacred war."

Thus we were forewarned four and one-half years ago. What Khrushchev referred to as "sacred" war of national liberation in Vietnam has been translated into attacks by terrorists at night and the sabotage of restaurants, buses, bridges, and barracks. In a jungle environment attacks on government outposts are carried on at night by small units armed with mortars and small arms. They have no tanks or armored personnel carriers, and they walk into battle. They would be hard to find in a jungle environment in the daytime. But they are harder to find during the nighttime, which they claim for their own.

Arrayed against these small and elusive units is the military power of America. We have all the tanks that there are in South Vietnam. We have the only armored personnel carriers in South Vietnam. We have almost all of the artillery, and we retain complete mastery of the skies. Over twenty different models of American aircraft roam the skies of South Vietnam at will, subject only to ground fire from conventional small arms.

Yet all this air power is unable to find and destroy the Viet Cong. "Why?" This is the question we are attempting to answer in current Armed Services Committee hearings.

This question has a significance beyond our current confrontation in Vietnam. As we look at the globe we can see other peoples who must be considered probable victims of Communist propaganda, subversion and terror. We find countless other areas where not only the economic and social problems are the same as in Vietnam, but where the geography is the same. We find countless regions where small bands of armed guerrillas can operate effectively in jungles, as the Viet Cong do in Vietnam and as Castro did in Cuba.

The United States has not had a new counter-insurgency aircraft capable of carrying heavy armament and lingering over jungle areas to seek out guerrillas at relatively slow speeds since the Korean War. And Secretary McNamara has shown little interest in getting anything new. Our forward air commanders on the ground must still relay their instructions to pilots through highly vulnerable L-19 observation planes using radio equipment not much more effective than what was used in World War II.

The question currently before our Committee is: Have we concentrated too much in preparing for the kind of war which Khrushchev has described as "intolerable" and not enough on what he described as inevitable? Having been forewarned, have we properly forearmed?

Grass Roots

You Can Have Spring in Mid-winter

A garden in full bloom on a gray January day isn't an impossible dream. Not in California. But if you want one this winter, you have to get busy right now.

Roots grow vigorously in warm, summer soil, and annuals planted now will have a chance to set buds before the soil temperature drops. According to the California Association of Nurserymen, once they've started to bloom, pansies, stock, calendulas, violas, snapdragons, fairy primroses and Iceland poppies will keep on flowering whether there's any sunshine or not. In fact, they prefer cool winter days.

So take a look around the garden and see where you can fit in some healthy plants from flats. Right opposite a picture window is a wonderful spot for calendulas because they come galloping into bloom right when it looks as though Old Man Winter has cleared the scene of any color at all. Put a swath of yellow violas in front of them and you have a sunny picture to look a no matter what the weather says.

The Pacific Beauty calendula mixture contains wonderfully clea oranges and yellows that make fine cut flowers as well as bright border subjects. Don't worry about rich soil, but be sure you give them good drainage.

If you want the showy flower spikes of snapdragons for cutting and garden show this winter, be sure to put them in right away. Where you put them depends a lot on the kind of snaps you choose--tall medium or junior-size Tall ones grow as high as 4 feet and make terrific accents in the border as well as magnificent cut flowers Medium-height types are fine for massing and the dwarfs are fine ribbons of color for edging or rock gardens The All-America winner Floral Carpet Rose is an excellent low bushy snap. Give them a sunny location, moderately rich soil, and plenty of water.
